

WCR Meeting Sponsorship Application

An affiliate can sponsor a meeting for a \$200 donation. This sponsorship will provide the opportunity to give a 5 minute talk about their company and have a display table for any materials and handouts they choose. In appreciation, they will also have their name and company name mentioned as the monthly sponsor in all published meeting announcements. Additionally, the sponsor will automatically become a web sponsor for the year and the company's web site link will be put on the WCR webpage. The money collected from the sponsorship will go to the scholarship fund to provide WCR Professional Development Scholarships for WCR members and to the Chapter's charitable activities.
